

## 2015 Committee Sign-up Sheet

- Associates Council** Develops programs, events, and services to support the goals and needs of the associate members, including networking opportunities.
- Community Service** Oversees and coordinates all matters relating to the community service activities of the Sales and Marketing Council. This includes conducting fundraising activities to support the HBA Charitable Trust.
- Legislative Committee** Has jurisdiction over local, state and federal legislative, regulatory, and legal issues affecting the housing industry. Committee members develop and recommend association policy in these areas for consideration and approval by the HBA Board of Directors.
- Membership Committee** Handles matters relating to membership development and retention including identification and recruitment of prospective members, membership appreciation, membership drives, and follow up with expiring members.
- Sales & Marketing Council** The Council, through its various committees and task forces, provides professional credibility by offering education and certification programs, and developing the Association's Awards Program for excellence in building, sales and marketing.
- Voice of Housing** The Committee raises funds to support local and state candidates who are pro-housing and understand the need to provide affordable housing.
